

## Japan Baseball Council to Hold “BEYOND OH! PLAY KIDS,” a Hands-On Baseball Experience Event for Children at Meiji Jingu Stadium on June 14

In conjunction with the 75th All Japan University Baseball Championship, to be held at Meiji Jingu Stadium on Sunday, June 14, 2026, Japan Baseball Council will host “BEYOND OH! PLAY KIDS,” a hands-on baseball experience event, at Meiji Jingu Stadium and nearby facilities.

Held in connection with the collegiate baseball stage, this event aims to create new opportunities for children—the future of baseball and sports—to encounter baseball not only by watching, but also by experiencing it firsthand.

The advance-registration event to be held on the field inside Meiji Jingu Stadium is available for registration through Japan Baseball Council’s official app, the “BEYOND OH! PLATFORM.” Japan Baseball Council Representative Sadaharu Oh is also scheduled to appear at the on-field event.

“BEYOND OH! PLAY KIDS” is a hands-on event designed to bring the joy of physical activity, the excitement of taking on new challenges, and the delight of discovering something new to children experiencing baseball for the first time, as well as to as many families as possible.

On the day of the event, participants will be able to enjoy popular activities from the previous event held at Tokyo Dome in November, including “throwing” and “hitting” experience zones and a hero interview photo zone. In addition, the event will offer

unique, real-life experiences made possible through its connection with university baseball, including opportunities to interact with university baseball players.

The event is also scheduled to feature participation by Japan Baseball Council ambassadors, as well as the “BEYOND OH! Education presented by BizReach” booth in collaboration with BizReach, Inc., a Vision Partner of Japan Baseball Council.

We hope this event will provide people of all generations with an opportunity to experience the appeal of baseball and sports. Children and adults alike—let’s come together and make the day exciting!
